From The Principal

Family Fun Night
Have you bought your tickets for Family Fun Night this Friday? Pre-booked tickets are essential for catering numbers. **The deadline for ticket sales is Thursday at 3pm…don’t miss out!**

School Fair
Every year our Stage 3 students plan, organise and run a school fair to raise funds for their graduation day celebrations and their leaving gift to the school. This year the fair is on Friday 4 November. Notes will be coming home soon asking for items for the fair, including books, toys and white elephant items. If you have any unwanted but good condition items, please put them aside for our fair. This is a good opportunity to have a spring clean!

A Good Day at Sport!
All PSSA teams won their matches last Friday:
- T-Ball won 12:6 against Harbord
- Softball won 6:3 against Balgowlah Hts
- Junior Eagletag won 8:4 against Narraweena
- Senior Eagletag won 8:2 against Narraweena

Well done players and coaches – Go Brookvale!

Kindergarten 2016
We have three full classes for Kindergarten next year and the orientation events are going very well. So far the pre-schoolers have visited the library for story time and had great fun on a scavenger hunt around the school. Still to come are science, art and a Teddy Bears’ picnic.

5 Cent Saving Jars
The saving jars are filling up very fast, with some classes having their jar emptied and filling up again. There is a lot of competition to see who gets the yummy treat at the end of term!

**Bev Maunder**

Positive Behaviour, Engaging Learners (PBEL)

Congratulations to all students for following our school expectations and earning mini merits. In the 1st week of Term 4 the Lucky Dip winners were:

**RESPECT**– Sila Sankey  **RESPONSIBILITY**– Sara Spencer  **PERSONAL BEST**– Caroline Tupou
School Assemblies

Our whole school assemblies are held in the school hall every second Thursday at 2:25 p.m. Parents and friends in our school community are always most welcome to attend.

Library News

What is Gonski?
Come for an information session at our Gonski Afternoon Tea

Wednesday 28 October In the library at 3:10pm

Annette Murphy-Haste Teacher Librarian
Stage 2 has made a great start to Term 4 and we are looking forward to an exciting term ahead. We have a busy term in front of us and our Year 4 children are looking forward to the Year 4 Mini Camp Sleepover at school in a few weeks!

Maths
This week we have been focusing on mass. We have been using scales to weigh objects and trying to judge what everyday items weigh 1kg. We conducted an investigation that involved estimating, measuring and converting mass. Working in groups, we found 5 objects around the classroom that we thought had a total mass of less than 1kg. We then had to estimate their total mass in kilograms. Scales were then used to see if we were correct. In order to find out if our estimation was correct and to find out the actual weight, we next had to get the scales to balance. This was achieved by taking out small amounts of weights until the scales balanced. We really enjoyed this hands-on learning!

Science
Our Physical Science unit of work, ‘Heating Up’, is well under way. Last week 3/4K went outside to investigate what happens to a freezing cold ice block when you hold it in your hand continuously. As the ice block melted, our student scientists needed to observe and feel what happens.

Students’ informal observations included comments such as:
‘….the ice is melting fast because our hands are warm. Will we get frostbite?’ Cooper
‘…ice cubes are meant to be in cold temperatures. Once an ice cube is in a warm temperature – like in our hands, it starts to melt.’ Amelia
‘My hands feel really numb.’ Jasmine C
‘My hand is hurting, it’s so cold.’ Max Dixon
‘I feel pain…my hands are red from the burning of the ice.’ Juan
‘It’s burning…not really…ice is so cold that is feels like it burns you.’ Tom
‘I felt my hands warm up and I didn’t even need a drier.’ (under the tap water) Qorina
‘The tap water feels warm but my hands are still cold.’ Jack WB

Back in the classroom our young scientists worked in teams to record their observations and information using ideas maps, tables and labelled diagrams.

LOST!

Single MAZDA black car key
Fallen off my keyring sometime on Thursday last week, possibly in the school grounds or hallways.

Reward offered.

If found please return to the school office.

Ms Kortekaas ☺

**PAYING ONLINE**

1. To view and order at discounted prices please go to advancedlife.com.au on any computer, tablet or smart mobile device and enter the 9 Digit Online Code at the prompt box.

2. Select "BROWSE GROUP PHOTOS" from the menu.
   If your school has given permission you will be able to view low resolution copies of the new Groups and past groups available. If not, make selection from the list.

3. Once you have chosen all groups to order, select the VIEW SHOPPING CART option and follow the prompts.

**CHEQUE | CASH | MONEY ORDER**

Envelopes are available for collection from the front office should you prefer to pay cash, cheque or money order. Envelope orders need to be returned to the school with 14 days. No discount applies to envelopes based orders.

**IMPORTANT INFORMATION:** Credit card payment is only available online. Please select your groups carefully as under no circumstances will a refund or exchange be available on incorrectly ordered photographs.
The Treasure Box Project

Help us in helping others - together we can make a difference!

We’d like to thank the parents and students for their contributions to the treasure box project. So far classes have successfully collected items, but we are still not all the way there yet. Keep collecting items and as you may already know we are doing it for children who, through unfortunate circumstances, end up unexpectedly in shelters without any of their belongings.

When this happens to kids, the best place they can be every day is back at school with their teachers and friends, where everything stays the same. The treasure packs we create will give these children the school items they need.

If you have not yet made a contribution to your class collection if would be great if you could!

Annya and Vivien, 5/6D
(with a little input from Ms Kortekaas)
